Wellington Airfield Power and Lighting Divestment

January 2025

## Airways' prices for the period 1 March – 30 June 2025

### Background

In June 2022, Airways set prices for the [FY23-25 period \(three-year pricing cycle\)](#) in accordance with our Pricing Framework.

Airways is proposing to enter into agreements to sell the Airfield Power and Lighting Assets at:

1. Wellington Aerodrome to Wellington International Airport Limited.

In anticipation of these being agreed and completion occurring on 1 March 2025, Airways is notifying that it will reduce its charges with effect from 1 March 2025.

### FY25 Price reduction

The sale of the Wellington Aerodrome Airfield Power and Lighting assets will allow Airways to reduce aerodrome charges by 5.1% in FY25 for Wellington Aerodrome weight price.

	<b>FY25 Aerodrome Service</b> <b>Wellington Aerodrome Weight Price</b>
Price Set in June 2022	\$9.79
New Price March 2025	\$9.29
Price reduction %	5.1%
<i>Wellington Aerodrome Service Charge</i>	

Airways will update the prices included in our Standard Terms and Conditions and pricing calculator that can be found on our website: [Airways | New Zealand Service and Pricing Frameworks](#) from February 2025.

Technically this is a consultation but given the positive effect to you from a decrease in Airways' prices, we are notifying you that the new prices will be effective from 1 March 2025 unless we hear back from you by 28 February 2025.
